## Rep. Paul Rogers Offers Bill To Aid Fla. Sugar Growers

Congressman Paul Rogers, of the 6th District of Florida, today has introduced legislation to give relief to the sugar industry located in his District.

### BILL WILL PASS SAYS SMATHERS

In a telephone conversation with Senator George Smathers Thursday afternoon the Senator said, "My position concerning this bill was decided upon after consultation with Florida College of the House and Senate. It is my belief and that of Senator Ellender that the quota bill will pass because of the overwhelming sponsorship, and I will vote for it."

If my co-sponsorship would affect the final passage, in my opinion of those present interested in the Senate, I would have signed it, but my work and position in Florida's foreign affairs are also of vital importance to all of Florida, and consideration was given to that."

"Please assure the sugar-cane folks that I'm trying to do my best for my entire constituency."

as well as to other sections of the United States.

The Congressman stated he felt that urgent action is necessary to relieve the sugar industry. (Continued on Page Eight)

## August Kirkman Is Installed As Exalted Ruler Of Elks Club

Pat Lemoyne of Ft. Myers, past district deputy Grand exalted ruler installed new officers for the ensuing year at exercises conducted Monday night at the Elks Lodge.

August Kirkman was installed as exalted ruler and Fred Simmons was installed for his ninth consecutive year as secretary.

Other officers installed were: Kenneth Roberts, esteemed leading knight; E. M. Lively, esteemed loyal knight; Garold M. K. C. C., esteemed lecturing knight; Clyde Clayton, trustee for five years; M. S. Sabiston, treasurer; Lorenzo Connell, square; M. J. Betts, chaplain; E. F. McAllister, inner guard; John Whitlock, tyler.

Following installation a fried chicken dinner was served.

## Easter Services At The Church Of God

Easter Services at the Church of God will include Sunday School at 10:00 a. m. followed by the morning service at 11:00 a. m. Rev. Gresham will speak on "Voices From The Past."

Members and friends have planned an Easter party with dinner at the church, after which an egg hunt is planned for the children. All friends have a special invitation to attend the services on this great day.

## Florida Pastor Concoives Solution For Getting Southern Baptists On Television

U. W. Malcolm, pastor of the First Baptist Church of Belle Glade, attended the Florida Baptist Convention last November at Daytona Beach. During the session he heard what he considered a moving plea by Paul M. Stevens, director of Radio and Television Commission for Southern Baptists in Florida and in every state for

## Courthouse!

Under the impression that a sub-courthouse is to be built in the Glades for the benefit of a majority of the taxpayers and citizens.

### WHY NOT?

Select three disinterested and fair-minded men, one to be an Appraiser, who will recommend a location based on the following:

- (1) Geographical center of area to be served.
- (2) Population center.
- (3) Estimated population center at end of ten and fifteen years.

With an agreement that those interested will be bound by that decision.

A little common sense substituted for politics in County administration would lower the estimate of the general public, nor lose any votes.

## Courthouse Annex To Be Discussed By City Fathers

A special meeting of the Belle Glade City Commission was called for Friday night to consider the County Commission's request that some preference be made by Belle Glade as to the location of the much-talked sub-courthouse for the Glades.

County Commissioner Loyal is quoted as saying "several months have elapsed since the county board asked Glades community to agree on a location for the annex, and within two weeks the commission will definitely have to make up its mind where to build."

Commissioner Michael proposed that all communities be notified that the commission favored construction of the annex at the airport and if the municipalities do not endorse the plan, said if not to (Continued on Page Four)

## Rams Win In Mound Duel vs. Seacrest

By BILL NICHOLSON Walter Mosley, Belle Glade pitcher, went the distance Friday afternoon to defeat Steve Sommer and company of Seacrest 9-2. Mosley gave up three scattered hits while striking out seven.

Belle Glade scored a run in the third on a walk, wild pitch and a sacrifice, then chalked up the winning margin in the fifth on a walk, single by Bobby Joe Thomas, and a two run error. Seacrest was held scoreless until the sixth when Dick Moody singled home Bob Miller and Harry Benson and had gotten a base by a single and a fielder's choice.

Rams 000 020 0-3 2 Batteries: Sommer and Seacrest; Mosley and Jones. The Rams are idle this week. They play Stuart here Tuesday, April 12 at 4:00 p. m.

## Roberts Assigned To Committees Of Statewide Concern

In telegram to The Herald, Representative Kenneth Roberts

advised that he has been appointed by Speaker David to the following Committees: Governmental Reorganization, Vice-Chairman, Appropriation, Appropriation, Drainage and Water Conservation, Labor and Public Safety.

Securing a Vice-Chairmanship as a first-termist is not usual, and the importance of the other Committees on Appropriation and Drainage as well as Appropriation places them among the higher ranking.

The new Governor and the new Representative will be in the next sixty days that will be most interesting in the telling to grandchildren.

Our local talent seems, so far, to have trod well the political road paved with thimblehead eggs of ancient vintage.

Hang on to your false teeth, folks! — We fear the going will get kinda ruff, but we're pulling for you.

## Permits For March Total \$57,605

During the month of March \$57,605 in permits were issued according to City Building Inspector, W. L. Cunningham.

Five new building permits including homes, \$11,000; at 1517 N. W. Ave. G. to T. O. Sasser, CBS home, \$8,000; L. C. Miller, Park; CBS duplex, \$12,000; at 332 S. W. Ave. A. \$5,000; to James Oliver; Office Building, \$6,500 CBS at 81 E. Ave. C. Williams Rhodes, Holmwood Church of Jesus, frame \$10,000 at 641 S. W. 6th St., making a total of \$44,500.

Other permits were for repairs and improvements, 12 at \$5,165; antennas, 27 at \$2,600; two plumbing, \$900; 25 electrical, \$8,000.

## Miss Sutton Tells Lions Of Migrant Schooling

Miss Elizabeth Sutton, who has been in the Glades this season studying school problems of children being brought to migrant farm workers' families, discussed with the Lions Wednesday afternoon the problems that must be solved if these children are enabled to secure normal primary education.

While migrant farm laborers are an accepted necessity, the welfare of children of school age poses a major problem. Miss Sutton told the Lions. She has migrated from New York on down the coast of Florida studying this problem and is much encouraged by the cooperation in Florida in trying to make it easier for these children to enjoy educational facilities.

## BG Post Office, C.O.D. Window Open Saturday

The C.O.D. window at the Belle Glade Post Office will remain open all day Saturday, from 8 a. m. until 5 p. m., in order to better serve the public for the Easter rush, according to Postmaster George Farnall.

## Over 580 Attend Morning Worship In New Sanctuary

"We present unto you this building to be opened this day to the Glory of Almighty God and to service for all mankind." With these words George W. Wedgworth, chairman of the board of trustees of the Belle Glade Community Methodist Church opened the new church edifice on Avenue C and 1st Street Sunday, April 3rd.

The opening ceremonies were held at 9:30 Sunday morning on the steps of the church with nearly 400 persons observing the ribbon-cutting at the door. Although the new church cannot be actually dedicated, it is free from its present 60 thousand dollars indebtedness.

Sunday marked the first day of worship in the newly erected sanctuary which was nearly five years under construction. The invocation was delivered by pastor H. Edward Garrett (Continued on Page 5)

## Last Rites Held For Earl Pearce

Funeral services for James Earl Pearce, 25, who was killed instantly early Friday morning when his car failed to make the curve on road 717 about 2 1/2 miles north of Chosen, were held Monday afternoon at the United Brethren Church in Okeechobee at 2 p. m.

The Rev. M. M. Martin assisted by Rev. James Macavoy officiated at the services.

Mr. Pearce, a native of Okeechobee, had been a resident of Belle Glade for the past ten years. He was a veteran of World War II and was a member of the United Brethren Church in Okeechobee. He had worked in the cattle business and at the time of his death was the foreman for the Max Hoffman Ranch.

Survivors are two daughters, Brenda and Della; Belle Glade; his mother, Mrs. Martha Pearce, Okeechobee; two brothers, Elmer of Okeechobee and

## Patrolman Davis Mortally Wounded By Shot In Back

Patrolman Isaac Davis, 42, of the Belle Glade Police Department died as result of being shot in the back by Davis Reese, 64, owner and operator of an apartment building and Linda Bellinger 24, also died as result of the pistol battle precipitated by the attack on Davis; by a stray bullet.

Information is available that Reese had "promised" to kill Davis within three days in a statement before witnesses a day and a half before the shooting. Other witnesses, who are informed, will testify that Reese came up to Davis from the rear and shot him without any warning, in the back. It is reported that Davis, having fallen to the ground, bled his own gun.

He was off duty with his left hand and wounded Reese with that. Davis' brother Elijah Stevens, 38, was wounded in the exchange of shots.

Reports are that Davis and his brother had visited a friend of Stevens' and had just returned to an automobile where they were talking when Reese shot him patrolman in the back.

Information in hand to date indicates that the only reason for Reese killing Davis is on account of Davis having arrested Reese for some infraction of Belle Glade's laws sometime ago.

"He was a distinct asset to the community, a good officer, and as far as I am able to determine revenge was the only motive," said a prominent negro business man when asked "What do you people think of the killing?" Generally Davis enjoyed a good reputation among employers of labor and certainly held the respect of those who made the mistake of mistaking him for an officer of the law in the performance of his duties.

Local peace officers are still (Continued on Page Four)

## Jackie Kirkman, Crowned Little Miss Belle Glade—By Pamela Whitlock, right, last year's title holder, assisted by Mary Claire Crider, left, and Audrey Mathis, right, Jackie is the 31 1/2 year old daughter of Mr. and Mrs. August Kirkman.

The contest, sponsored by the Future Homemakers of America, was entered by forty-eight contestants. Entrants were Ann Priest, Janice Kidder, Mary Helen Fontaine, Jackie Kirkman, Marcia McFar, Martha Mikovsky, Jean Marie Whitley, Cynthia Jean Thelma, Winkie Williams, Nancy Marcheani, Wilma Kirkman, Debora Raas, Janice Jackson, Melba Schoep, Paula Devine Swain, Carol Innes, Barbara Blum, Gail Royal, Anna Margaret Burnett, Deanna Wedgworth, Audrey Mathis, Linda Karen Reeves, Caroline Atkinson, Pat Burkett, Belinda Steele, Brenda Eden, Barbara Jean Williams, Gladys Lee Williams, Nancy Stratton, Sibby Bower, Vickie Betzner, Donna Miller, Barbara Ann Ellis, Deborah Gene Urwin, Joanne Harris, Beverly Rashley, Barbara Roy, Cathy Battle, Milene Kruse, Colette Carpenter, Nancy Baker, Jack Parker, Renee Waught, Susan Royal, Agnes

## Fire Caught In Time By Local Department

A fire destroyed a small frame building behind a residence at 529 S. W. 5th Street Tuesday night. The Belle Glade Fire Department attended to the fire and a spokesman said the fire spread to the main house causing about \$150 damage. The small apartment, a total loss, was valued at less than \$500. The property was owned by Mr. Mathewne McMillan.

## Beans are beginning to appear and the volume will increase in daily movement until the season's end.

Cabbage, a high tonnage vegetable is enjoying a profitable price, as is celery, and collard greens. Both will continue in the "good" column for the remainder of the season.

When the real spring crop of corn comes in there will be a bang for a few weeks if the country can take our volume of production.

The sky is clear and a stiff tail wind indicates for fair sailing for the balance of the vegetable season.

## Local Insurance Man To Attend Convention

David W. Motes is one of the 29 Penitentiary Life Insurance Co., agents one of Florida's largest groups of sales incentive contest winners, who will leave for Washington, D. C. April 13 by Eastern Airlines for a four day Laurence F. Lee Convention.

## G. L. Williams Will Head Cancer Drive

The 1955 fund raising campaign of the American Cancer Society began Friday, April 1, in Palm Beach County, and will continue through the month of June.

Financial support of the American Cancer Society is obtained from the public through the annual campaign in April which has been set aside as Cancer Month by the United States Congress and Proclamation of the President of the United States.

The campaign will continue through the month in Belle Glade under the direction of Mr. George LeBren Williams as chairman.

Formed in 1913, the American Cancer Society is the only voluntary agency which supports a comprehensive program of education, service to cancer patients, and research for the control of cancer. (Continued on Page 6)

## Flood Control Works Affect City's Water

According to Clarence Throp, Superintendent of the city water works, maintenance men are replacing a 16 inch waterline which crosses the Hillsboro canal about one mile west of the Chosen bridge. A 155 foot length of pipe is being lowered 19 feet at that point.

Clemens Construction Company is dredging the canal from the locks to a point six miles east of Belle Glade, in co-operation with the Army Engineer Corps.

The work was started on March 1st and is expected to be finished by Tuesday. While the pipe is disconnected, two 500 gallon-per-minute pumps are drawing water from the Hillsboro canal.

Throp said that while water was being taken from the canal the residents of the Treatment Plant residents would notice a distinct taste in the water. He hastened to add that no ill effects would result from this operation. It was learned that more than one hundred calls per day were received at the station two weeks ago when the work began to affect the water taste. Citizens were seeking some explanation of the change in water.

## Celery & Cabbage Lead The Field In Carlot Movement

Beans are beginning to appear and the volume will increase in daily movement until the season's end.

Cabbage, a high tonnage vegetable is enjoying a profitable price, as is celery, and collard greens. Both will continue in the "good" column for the remainder of the season.

When the real spring crop of corn comes in there will be a bang for a few weeks if the country can take our volume of production.

The sky is clear and a stiff tail wind indicates for fair sailing for the balance of the vegetable season.

## Annual Lions Show Slated For May 3rd

The Belle Glade High School Club, assisted by the Lions Club will stage their Annual Show on May 3rd at the High School Auditorium.

Every year the Lions put on a show that attracts a community-wide attention and this year promises to be bigger and better. "South Sea Island Follies" is the title which is a fast stepping show with hula dancers, tap routines, clowns, and for an added attraction will include some out of town Hollywood stars.

Also included in the show will be the miniature part with the end men and master of ceremonies.

## David Weiman Wins \$25 In Contest

David Weiman, sophomore at the University of Miami is the winner of \$25 in an advertising contest by Lever Brothers on "Breeze," a detergent used for washing dishes, clothes and etc.

David sent in his letter about six weeks ago and had given up hopes that he would win, when he received the check and letter telling that he had placed fourth in the contest. David is the son of Mrs. Sylvia Weiman and is home for the Easter Holidays.

## Mrs. W. R. Hooker Ill But Resting Well

Reports that Mrs. Walter Hooker was stricken with a heart attack is reported erroneous. "It's neither the heart nor a stroke," a Herald reporter was informed, "but she must remain quite and rest."

## John Frazer Newton, 85 years of age on April 5th, being congratulated by Clerk of Court, Alex Arnett, on his long life and his ability and willingness to work regularly.

Mr. Newton was interrupted at the folder in the shop of the Belle Glade Herald, where he has been continuously employed for 15 years.

Having joined the Typographical Union in 1890, Mr. Newton is the oldest active member of that union today.

A full story of Mr. Newton's life will appear shortly in The Herald.

## Loans For Irrigation Available Thru FHA

Interest in farm irrigation is growing rapidly on the lower East Coast of Florida and the Farmers Home Administration is receiving a number of applications for irrigation loans under the soil and water conservation loan program. John S. Stewart, County Supervisor-Appraiser, of the Farmers Home Administration, Lake Worth, Florida, reported this week.

Being able to get water when and where it is needed often makes the difference between profit and loss farming. Farmers contemplating the installation of irrigation systems of any type are advised to get advance expert technical assistance before going ahead with their plans. Mr. Stewart said an applicant for an irrigation loan can obtain technical assistance from the Soil Conservation Service Extension Service, other agencies, or, at his own expense if any, from private individuals or firms. The Farmers Home Administration will help the applicant in determining that the proposed system is feasible, that the cost estimated and plans appear to be complete and reasonable, and that the improvements are in line with approved practices. Applicants must comply with any State Law or regulations governing the use and appropriation of water.

Soil and water conservation loans may be made through the Farmers Home Administration. The Soil and Water Conservation Service, Florida, from insured funds for many purposes other than irrigation. Mr. Stewart pointed out.

**FOR RENT:** 800 ACRE FARM. Will lease from one to five years. 800 acre farm, with surrounding canals. Farm completely under water control. Quarters are provided for help. Packer and sheds are available. Farm is in complete condition ready for operation. Owner forced to return to North Carolina. ## Lake Harbor School Ground To Be Scene Of Sunrise Service

There will be a special sunrise service at the Lake Harbor School grounds, Sunday morning at 5:45 a. m. Special instrumental and vocal music will be featured, and the Easter Message will be brought by Rev. Hartley, Pastor of the Lake Harbor Baptist Church. A prayer period for the coming Lake Harbor Revival will also be a part of the service.

## Summer Farm Labor Needs Discussed Here By Northern Farmers

Manager A. M. Larimore of the local Employment Service will be the featured speaker at the annual meeting of the Florida Farm Laborers' Association, which will be held at the Lake Harbor Hotel, Sunday, April 10, at 11 a. m. and p. m. Rev. Hartley announced, as well as appropriate music of the season.

## Miss Marianne Womack and Her Brother, Clarke, were among the leading artists at the Annual show directed by Mrs. Zack Ingram for the local Rotary Club, last Friday night.

Clarke is home on leave from the Army and will leave today for Spokane, Washington on his journey to Japan.

## Anniversary Show Given By Rotary

The Belle Glade Rotary Club celebrated the Golden Anniversary of Rotary International last Friday night in good style with the "Golden Anniversary Show."

Heading the list of acts, the "Gay Nineties Chorus," sang several selections reminiscent of the good old days. The chorus, composed entirely of Rotarians, was dressed in the traditional gay nineties style with short sleeves and bow ties.

Such acts as "Take Me out to the Ball Game," "A Bicycle Built for Two," "The Merry Widow Waltz," "A Bird in a Gilded Cage," and "Casey Jones" gave typical settings of the gay nineties.

In addition to the acts given, the gay nineties section, another section of the show included a variety of other talent. Several vocal selections were rendered by Ann Henderson, Clark Womack, and Jean Rogers. A ballet and a charming interpretation of the song "Joy Ride," were given by Martha

## South Bay Guest Impolitely Leaves

The South Bay police arrested a visiting Florida last Friday and charged him with driving while drunk and after the proper judicial procedure, put the gentleman on a city work detail at the park.

## Junior Conservation Club Training Held At Jaycees Meeting

Frank L. A. Novak, Education and Information Officer of the Everglades Division, Game and Fresh Water Fish Commission, was the speaker at the training meeting of the Junior Conservation Club held at the Country Club last Thursday night.

## 331,626 RECEIVED

(Continued from Page One) Does this mean you should hold on to your present car? No, you go out of State to get your stocker steers this year and next? Does it mean that hold on and below will hold firm while the price eases on better slaughter cattle?

## COURTHOUSE ANNEX

(Continued from Page One) state reasons for disagreement and suggest an alternate location.

It is rumored around town that Commissioner Rardin will meet with the Belle Glade Commission Friday night; it is also rumored that renewed enthusiasm is being shown for work on Avenue E in Belle Glade. The intimation is that "back scratching" might be indulged with "iffy" if you agree to the airport site—playing a part.

Everyone sympathizes with Pahokee's efforts to "put life in the Old Grid" by building a courthouse three miles out of town, where "maybe business will grow around it". However, the general idea of the courthouse is to serve all the people equally.

The old sledge "dived and rule" seems to be working well in this case—no agreement can be reached, so no courthouse will be built.

Anyhow, an enabling act must be passed in the Legislature and it's more than likely that a referendum will be required, and all the county is interested in it and where an annex will be built.

## MISS MARIANNE WOMACK AND HER BROTHER, CLARKE, were among the leading artists at the Annual show directed by Mrs. Zack Ingram for the local Rotary Club, last Friday night.

Clarke is home on leave from the Army and will leave today for Spokane, Washington on his journey to Japan.

## Anniversary Show Given By Rotary

The Belle Glade Rotary Club celebrated the Golden Anniversary of Rotary International last Friday night in good style with the "Golden Anniversary Show."

Heading the list of acts, the "Gay Nineties Chorus," sang several selections reminiscent of the good old days. The chorus, composed entirely of Rotarians, was dressed in the traditional gay nineties style with short sleeves and bow ties.

Such acts as "Take Me out to the Ball Game," "A Bicycle Built for Two," "The Merry Widow Waltz," "A Bird in a Gilded Cage," and "Casey Jones" gave typical settings of the gay nineties.

In addition to the acts given, the gay nineties section, another section of the show included a variety of other talent. Several vocal selections were rendered by Ann Henderson, Clark Womack, and Jean Rogers. A ballet and a charming interpretation of the song "Joy Ride," were given by Martha

## Big news about Buick's 4-Door Riviera

Turn brand-new kind of automobile—the sensation of the Auto Show this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely "the car that eager buyers hoped it would be."

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear passengers—plus rear-compartments room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides. You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit. And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

## Thrill of the year is Buick

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 158-hp or 164-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflow—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped more Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-cost production—and a prompt order—this newest excitement in cars will be yours that much sooner.

\*Dynaflex Drive is standard on Roadmaster, optional at extra cost on other Buicks.

Miss Carolyn Driggers of Dothan, Ala. arrived Monday for a few days visit with her brother, Terry L. Driggers and family. She will be accompanied on her return by her sister, Miss Sibyl Driggers, who has been visiting here for the last three weeks.

Miss Jane Allen of Jacksonville is expected home for the Easter weekend.

Mr. and Mrs. Jack King and son, Terry Marlowe, who have been visiting her parents, Mr. and Mrs. O. M. McCallister in Bean City, have gone to Tampa to make their home.

School closed on Wednesday for a long weekend Easter holiday.

Mr. and Mrs. E. W. Hamilton visited friends in Orlando over the weekend.

Mrs. Ada Denmark who spent the winter in Lake Harbor with her sister-in-law, Mrs. Mildred Larrick, is staying for a time with Mrs. John Clay at the J. C. Ranch.

Mrs. Mayme Henderson and son Vernon Henderson have returned from Valdosta, Ga. where they were called by the illness of her father.

Chuck and Dale Swindle of Immokalee visited their cousin Keith Smith at South Shore Plantation Friday while their father, Glen Swindle transacted business in Belle Glade.

**Red Cross Drive Exceeds Quota**

The Red Cross Membership quota of \$200 has been exceeded according to the local committee consisting of Mrs. A. B. Barnes and Mrs. W. C. Allen. To date the total is \$227.14. The present drive which officially ended last Thursday was carried on by a regional committee consisting of Mrs. H. C. Wilkins, Mrs. Jesse Barnes of South Bay, Rebecca Brooks of South Bay, Colored Sub-division; Terry L. Driggers, South Bay Sugar Plantation; Mrs. Jay Smith, Bean City; James Jackson, South Shore Plantation; Mrs. Mayme Henderson, Lake Harbor; Ray Taylor, Ritta Sugar Plantation.

**Legion Post And Aux. Host At Vets Hospital**

The South Bay American Legion Post No. 161 and Auxiliary were in charge of the bingo game for disabled veterans at Pratt General Hospital in Coral Gables Monday night, serving refreshments and a swimming prize. Those in the party were Commander and Mrs. Vernon Henderson, Rollin Plank and Mrs. Winnie Plank, auxiliary president; 9th District Commander and Mrs. W. C. Allen and Mrs. George Colburn.

## Former City Clerk Takes Over Again

Alvin B. Crow, recently of Summerfield, has returned to South Bay to make his home and has accepted the position of city clerk to take the place of Mr. Jewell Lovell, whose resignation effective March 31, was accepted by the city council last week.

Crow served as city clerk at South Bay for several years some seven years ago. He has his home here when he moved his family to Summerfield. He plans to build a new home on N. W. Second Ave. opposite his sister and brother-in-law, Mr. and Mrs. E. M. Willis. He has with him, his daughter, Mrs. Martha Ann Hitchcock and grandson, Michael Hitchcock. Mrs. Hitchcock is employed in the Willis County Store and Michael is attending the South Bay School.

## Linda Fisher Partied On Tenth Birthday

Mrs. R. G. Fisher entertained Saturday afternoon, honoring her daughter and son, Linda and Billy, on their tenth birthday. The children were entertained with games and refreshments.

Each little guest received a balloon and basket of jelly beans as favors. Cake and soft drinks were served.

Guests were Joanne Mann, Ginger Critchfield, Helen Sloan, Mary Lee Little, Mary Matheson, Gloria Greer, Gloria Moten, Sandra Willis, Helen Zwickel, Laura and Billy, and Ronnie and Laura and Billy Rogers, Gloria Smith, and Joyce Dadsen.

## Out Of Town Friends, Relatives Attend Services For Eldon

Out of town friends and relatives attending funeral services for Kirkland Bernard Eldon, who died very suddenly in Clewiston last week, included Mrs. Myron Shelburn, Mr. and Mrs. Bert Alberty and son, Mr. and Mrs. Walter Eldon, all of Miami, Tom Eldon, Mr. and Mrs. Lester Garry and son, Ronnie of Walkertown, N. C., Mr. and Mrs. J. D. Stacey of Bryant, Mrs. Maude Barfield of Canal Point.

Mr. Garry returned to his home Saturday. Mrs. Garry and Ronnie are remaining for a more extended visit.

Mr. and Mrs. J. D. McCarty of Oklawaha visited Mr. and Mrs. K. B. Eldon on Wednesday.

## Easter Parties Held In School Rooms

Easter egg hunts and parties with refreshments marked the closing exercises of school Wednesday afternoon in the school room before pupils and teachers were dismissed for the long weekend holiday.

These parties were under the supervision of the teacher and room mother of each grade.

A community egg hunt was a feature of the afternoon playground activities Thursday afternoon under direction of Miss Myrtice Gilman, playground supervisor and a group of mothers.

## PTA Elect Officers And Hear Panel On School Problems

The Parent Teacher Association elected officers for the ensuing year at their regular session at the school auditorium Monday evening. Mrs. Marjorie Henderson was elected president; J. C. Bowen vice-president; Mrs. Royell Davis, secretary; Mrs. Wm. Mason, treasurer. A historian and parliamentarian will be appointed by the president. These officers

will be installed at the May meeting.

Mrs. Floyd Wilder, president, Secretary Mrs. F. B. Willis read the president's message. The treasurer, Mrs. Billy Rogers, reported a balance of \$516.52.

It was voted to purchase an adding machine for the school to the amount of \$80 and up to \$25 was allocated to defray expenses of a picnic for the School Boy Patrol.

The program arranged by Mrs. Wm. Mason in the form of a panel discussion by County Superintendent Howell Watkins, School Board members, Henry Earwood and Thelmond Knight, Principal Philip Morris was moderator.

The discussion centered around three points (1) The County School Program and Problems, (2) School Operations and Personnel, (3) Teaching Possibilities in our own school.

Attendance award for the month went to the third grade taught by Mrs. Edrie Maxwell. Hostesses Mrs. E. M. Willis, Mrs. R. W. Edwards and Mrs. W. G. Bowen served cup cakes in the form of Easter nests, coffee and lemonade at the close of the program.

## Local Youth Initiate Of Zeta Alpha Frats

Robert Murry Hooker, from Chosen, as an outstanding junior in the College of Agriculture at the University of Florida, was recently initiated into the fraternity of Alpha Zeta.

The Florida Chapter of Alpha Zeta — established at the University in 1922 — has long been active as part of a national organization to recognize scholarship, ability and individual personality of those who have met the high standards to become a member of the organization.

Hooker was invited to join the honorary fraternity and approved by faculty advisers. Dr. A. Kreinke, associate professor of dairy science, A. S. Muller, professor of plant pathology, and James Henges, assistant professor of animal husbandry, Alpha Zeta highlights its annual activities by sponsoring the College of Agriculture Fair.

## Annual Art Show To Be Held April 14

The Annual Art Show presented by the Belle Glade School will be held at the High School gym Thursday evening, April 14 from 7:30 to 10:00 p. m., according to Mrs. Margaret Earwood, art teacher.

The public is invited to attend. Every grade student in school is given an opportunity at this time to exhibit his best piece of art work. The high school art classes will also exhibit a variety of their work. This year the Industrial Arts

Department plans to participate. This show will be of special interest to the many parents and friends of the student body.

## Local Jaycees Ask Action On Zoning

The Belle Glade Junior Chamber of Commerce, in a resolution to the county commission this week, urged legislative action for adoption of county zoning laws.

The resolution, commended the commission for its work in county zoning research and for what the Jaycees described as recognizing a need for eliminating the insecurity of investment in unsecured property. The organization urged the Palm Beach County delegation to work for legislation that would allow county areas to be zoned. The board received the resolution and at the suggestion of Commissioner Paul Rardin, voted to write the Jaycees, reviewing the work which the county has already done to promote a county zoning law.

## Screw-Worm Studied By Livestock Board

The State Livestock Board last week to earmark \$25,000 for the study of the screw-worm problem. Losses to Florida livestock men from screw-worm has been exceptionally heavy and these funds will be used to try and find the answer to the problem.

Budget Director Harry G. Smith, said that the Livestock Board has a surplus of \$25,000 and by matching federal funds will be in a position to do some real work on the problem.

## Body Aches and Pains Quickly Relieved By Natural Return of Blood Circulation

NOT A PILL OR TABLET, NOT A LIQUID, BUT A NEW PROFESSIONAL HOSPITAL AND CLINICALLY TESTED DEVICE for quickly relieving body aches and pains by stimulating and increasing blood circulation thereby permitting nature to do the job intended. Proper blood circulation will also aid you in sleeping better, reduce fatigue and tension. Costs nothing to try it, or write for free demonstration. P.O. Box 343, Hollywood, Florida.

## Ford sells more because it's worth more

The new Ford Fairlane Town Sedan is an outstanding example of modern 4-door design.

In 1954, more Fords were bought by the motoring public than any other make. That's because more and more people are discovering that Ford has more to offer!

FOR YEARS, Ford has been the trend-setter in all the features that make a car worth more... V-8 power... Ball-joint ride... modern styling. And today, Ford brings you even more good reasons to buy.

First, Ford offers the reassuring power of new Trigger-Torque power in your choice of two new and mighty V-8 engines of the industry's most beautiful buy.

Next, Ford for '55 brings you a new, smoother, Angle-Poised Ride, made possible by Ford's advanced new Ball-Joint Front Suspension system.

And finally, in just plain good looks, Ford's farther out front than ever. With brand-new styling inspired by the long, low lines of the new Ford Fairlane, Ford is America's most beautiful buy!

FORD, the new  
BEST SELLER...  
sells more because  
it's worth more!

See why Ford is America's No. 1 buy! Test Drive a '55 FORD BELLE GLADE MOTORS, Inc.

### Rainbow Girls Hold Formal Initiation

A beautiful formal Rainbow initiation was the setting of the Rainbow meeting Monday night. The girls initiated were: Pat Winkle, Susie Hemphill, Linda Allen, Betty Norman, Carol Allen, Sharon Sadler, and a new recruit, Susie Hemphill. Susie Hemphill was chosen from this group to travel through the lessons of the Rainbow.

Guests at the meeting were: Mrs. H. R. Layfield, Mrs. J. D. Hemphill, Mr. and Mrs. Robert Allen, Mrs. Nicholas D. Stephens, D.D., Methodist Minister at Lake Harbor.

Mrs. C. W. Crews, mother advisor, announced that proficiency tests for Rainbow of-

ficers will be given next Monday evening in Pahokee. The tests, which are written and oral, will be given by Mrs. Crews and Mrs. Keene. Mother Advisor of the Order of the Rainbow for Girls in Pahokee. The tests will begin at 7:30 p. m. and will be held in the Masonic Temple there. All girls, including non-officers are urged to take this test. Girls desiring transportation for the trip will please meet with Mrs. G. W. Crews, at her home at 6:45 p. m. next Monday evening.

### Florida Power & Light Continues Expansion

\$19 million financing operation was negotiated last Monday by Florida Power & Light Com-

pany through the sale of 305,000 shares of its no par value common stock to an underwriting group.

The Florida utility, now in the fourth year of a \$410 million expansion program, has been seeking additional financing with more or less regularity, going to the money market two or three times annually.

This year it expects to spend \$42 million on new construction, which includes completion of Florida's largest generator, a new 140,000 kilowatt unit at its Cutler plant, and the addition of a new 80,000 kilowatt generator at its Palatka power plant which will be completed in 1956.

McGregor Smith, company board chairman, told representatives of the underwriting

group that he was glad to see that more and more people "are becoming interested in the state's natural climatic advantages and are also becoming more and more aware that Florida's business climate is warm and inviting, too."

2 First two games on each date are to be played at Belle Glade. Third game is played at South Bay.  
3 First game starts at 6:15. Second game starts at 7:45.

### State Welfare Assists Over 3,200 In County

Thomas E. Penick, Chairman of the District Board No. 10 of the State Department of Public Welfare, reports that in Palm Beach County 3,287 persons were assisted in the three categories of public assistance for the month of March.

A total of 1,550 persons received Old Age Assistance to the amount of \$67,799.00. 79 persons received Aid to the Blind, totaling \$3,820.50. 410 families, representing 1,303 children received Aid to Dependent Children in the amount of \$22,717.00.

In addition, 171 children received service during the month, 34 of whom were in foster homes. The total State and local cost for these child welfare services was \$1,563.87.

There were 9 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the Court.

Palm Beach County is also represented on the Dist. No. 10 Board by Mrs. Doris Sasser, Pahokee; Doyle Morgan, Delray Beach; Mrs. Lucile Turnage and Mrs. Helen Woodward, West Palm Beach.

### Air Force To Build New Permanent Type Dormitory Barracks

"A real home away from home." That's the way Sergeant John E. Salyer, local United States Air Force recruiter, described the new dormitory-type barracks, soon to be built on permanent installations by the Air Force.

Designed by a leading architect-engineer firm to incorporate the best from several previous designs, the new dorms will provide a modern permanent three-story masonry type building.

Each floor will have a comfortable lounge and two separate toilet and shower areas. Laundry facilities are also provided. One to three airmen will be assigned to each of the sleeping rooms depending on grade or operational requirements. Each room contains individual wardrobes and shelves, plus sufficient area for desks and chairs.

The new type permanent dormitory is designed to permit comfortable sanitary living during all seasons. Walls, ceiling and room partitions will be constructed of masonry with exposed surfaces painted. Windows and exterior overhangings have been particularly designed for the various climatic conditions encountered at a number of isolated Air Force locations.

"This is just another of the

many changes now underway to make Air For life better," added Sgt. Salyer.

### NEGRO NEWS

#### Everglades Voc. High

#### The Senior Class Play "Commencement"

The Senior Class of '55 presented its class play on Wed., March 23, 1955, at the Okeechobee Center, 8:15 p. m. The play was about a high school principal, and the problems he was called upon to solve during one school year, in a small town called Brookfield. The action of the entire play took place in the office of Brookfield High School, the only high school in the small city.

The characters were portrayed by the following Seniors: James Forchion, Estella Mims, Laura Hart, Annie Hatten, John Staples, Willis Vercen, Ida Jones, Ernestine White, Annie Sampson, Irma Burke, Willie Barber, Samuel Hamilton, Francis Savall, and Johnny Mays.

The Senior Ushers were: Martha Stinson, Mary Osborne, Miella Tate, Ezella Tate, and Shirley Thompson. The mothers of the Seniors were ushered to the left of the building, where there was a table of beautiful corsages which were presented to them by the sponsor of the senior class.

The seniors have begun work on their Commencement Activities and are hoping that the year will be a success. The sponsor is Miss Marion Orr.

#### N.F.A. News

Our advisor, Mr. J. J. Holliday, has informed our N.F.A. members that he recently received a News Letter from the State Department showing the results of the N.F.A. Joking Contest that was held at the South Florida State Fair on Fri-

day, February 11th. Our judging team, consisting of Joseph Perry, Jr., 10th Grade; Willie J. Barber, 12th Grade; and Earl Shine, 11th Grade, made up the N.F.A. local team for our chapter.

According to the News Letter our team ranked 10th in competition with the other 42 N.F.A. chapters in the State. Our team

won a cash prize of \$5.00, ranking 9th place in the judging of swine.

A letter of congratulation, along with a check for five dollars, was received by our local advisor last Friday, March 25th.

Our land laboratory plot is beginning to show rapid improvement after having severe set-back during the winter cold

spell. We now have one acre of Lima beans and two acres of String beans blooming, and will be ready for harvesting in about three weeks. Plans are being made to put the balance of our land in production for the spring summer months. We are looking for a very successful spring crop that will be in production well up in the summer.

Wives all over want OK Used Cars of their own. It's the low-cost answer to a family's second-car needs. The red OK Tag marks a car that's thoroughly inspected and scientifically recommended. You own with pride and drive with confidence because OK Used Cars are warranted in writing!

## A TRIBUTE To Those Who Are "Getting The Message Through"

In cities and towns over the South today, thousands of men and women are maintaining a great tradition.

They are telephone employees who are on the job, and because of them, the messages are going through.

In our Company, we call it the spirit of service. This spirit never burned so brightly as it does today—in the hearts of the men and women at the switchboards completing the calls and at the other vital posts of duty keeping the lines open—making sure that their communities have dependable telephone service 24 hours a day.

We salute them—for their sense of duty, their skill and their magnificent spirit.

.....  
We are deeply grateful for the patience, understanding and friendly cooperation of telephone users everywhere.

Fred J. Turner  
President

### A SINCERE WELCOME

For the many who are returning to their jobs every day, we have a sincere welcome. There is work to be done and you can help in many ways.

**SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY**

### Moore Haven Locks Closed Temporarily

Moore Haven Lock, located on the Okeechobee Waterway which crosses the State from Stuart to Fort Myers, will be closed to navigation for above five weeks beginning Monday morning, April 25th, according to word received recently from the Corps of Engineers in Jacksonville. The lock is located on

the west side of Lake Okeechobee in the Caloosahatchee Canal. Colonel H. W. Shull, Jr., District Engineer, said the temporary closing of the lock is necessary so that repairs may be made to underwater portions of the lock chamber.

Schull urged navigation interests to take the lock closure into consideration in planning boat trips or barge operations. "Every effort will be made to reopen the lock to navigation at the earliest possible date," he said.

### CONGRESSMAN ROGERS

(Continued from Page One) try. He said: "In my District, at the U. S. Sugar Corporation at Clewiston, \$7,000,000 worth of sugar is now stored and can't be sold under the present quota system until 1956. This surplus sugar was not produced from increased acreage but from more efficient methods of production,

The storage of this sugar has had an adverse effect upon the sugar industry located in my District, and particularly on the farmers who are growers of the sugar cane. I feel that not only are the growers of the cane affected, but the well-being and prosperity of the sugar industry indirectly affects the entire area."

Mr. Rogers also said that his Amendment would give domestic sugar producers an increase without cutting the present quota of foreign producers, such as Cuba. He said that the increase in quota to the domestic producers would result from an increase in the demand of sugar on the part of the American consumers.

With a further explanation of why he felt action was urgent, Mr. Rogers stated: "In 1948, when the present rigid quota became effective, our total annual sugar consumption amounted to 7,200,000 tons. The Department of Agriculture has announced an initial estimate of requirements for 1955 of 8,200,000 tons, with a forecast that our final requirements this year will amount to 8,500,000 tons. All the growth in the U. S. market will continue to go to foreign nations (90 percent of it to Cuba) unless the law is changed. The proposed amendment would not, however, reduce the present volume of sugar imports from any foreign country, including Cuba, but would assure their imports to continue growing as U. S. consumption grows."

Congressman Rogers' bill would make the following immediate increases in basic domestic sugar quotas:

1. Domestic Beet — 85,000 tons (To total of \$1,885,000 tons)
- Mainland Cane — 80,000 tons (To total of \$580,000 tons)
- Puerto Rico — 20,000 tons (To total of 1,100,000 tons)
- Virgin Islands — 3,000 tons (To total of 15,000 tons)
- Total — 188,000 tons (Hawaii has not asked for an immediate increase in her basic quota of 1,552,000 tons.)

2. Apply a "growth formula" on all increases in annual consumption about \$288,000 tons (the increase in basic domestic quotas plus \$200,000 tons of the Department of Agriculture's

HONOLULU, HAWAII—Hugh J. Bratley, member of the Rotary Club of Belle Glade, Fla., is presented with the traditional Hawaiian lei of friendship by Duke Kahanamoku, Honolulu Rotarian. Mr. Bratley, one of 450 Rotarians from 46 states and 12 foreign countries entertained in recent months by the Honolulu club, met well-known Island businessmen of this city at a quarter million people at the weekly luncheon of Honolulu Rotary. (Hawaii Visitors Bureau Photo.)

initial consumption estimate for 1950).

The formula: Prorate among domestic producers, according to their basic quotas, 55 percent of the increase in annual consumption, and 45 percent among foreign suppliers — (This is approximately the historic division of the market before the 1948 Act).

3. Provide that if any domestic area cannot meet its quota under the "growth formula", other domestic areas will have first claim at making up the deficit. If they cannot, the unfilled amount would be allocated to Cuba.

4. Increase direct consumption quotas for Hawaii and Puerto Rico proportionately with their participation in the "growth formula."

5. Extend the Act to December 31, 1962.

The Congressman stated that he would do all he could to secure action on this legislation.

L. G. WILLIAMS WILL

(Continued from Page One)

Of the dollars contributed in Florida, 25% goes to a nationally administered research program; 60% is retained by the Florida Division and used for

SERVICE to cancer patients and education; 12% underwriters

the national program of public and professional education, service, fund raising and administration, and 35% is devoted to medical grants and clinical fellowships awarded to medical and scientific organizations. This year 169 young doctors are being given special training in diagnosis and treatment — they will return to their communities equipped to sharpen their attack on cancer.

The fact that more children from 3 to 15 years of age die of cancer than from any other disease and that cancer is the number two killer of men, women and children is a challenge to join with the American Cancer Society's Crusade.

Locally, ACS funds are used for patient SERVICE, for medical and office supplies and the nursing service at the Tumor Clinic at St. Mary's Hospital, for Room Board and Transportation for medically indigent out-patients of the Tumor Clinic; to maintain the Information Center, 121 Lakeside Avenue, West Palm Beach, and carry on the educational program of the entire county.

Cancer can be conquered, but a great deal of money must be raised — for research — for education — for service to cancer patients.

On the funds collected this spring will depend next year's programs of research, education and service. The more money collected, the stronger the attack on cancer. We are all Can-

cer crusaders . . . along with the doctors who give periodic check-ups . . . the businessmen who solicit corporation gifts . . . the scientists who devote years to the laboratory.

The common goal — the goal of the American Cancer Society — is to bring cancer under control . . . to save thousands of lives from cancer this year, millions in the future.

# Increase Vegetable Profits

with a planned ORTHO Program

Here's how ORTHO gives you more for your pest control dollar:

1. Fast local pest control service.
2. Expert counsel from specially trained ORTHO Fieldmen.
3. Freshly ground dusts that are double-milled for extra-particle fineness.
4. Sprays "custom made" to fit a complete ORTHO program.

For information on how a planned ORTHO program can increase your vegetable crop profits — call Ed Acree, P.O. B. 27, N. Miami, Florida.

Buy ORTHO products from:

## No other low-priced car even comes close to matching these important Chevrolet advantages . . .

**If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Meteoric Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.**

**The beauty's built-in—not bolted on!** And that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean, uncluttered design. The beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

**The Body's by Fisher!** No other low-priced car has a Body by Fisher—no other makes many of the high-priced cars do. That fact alone tells you there must be something extra special about the style, quality and construction of Body by Fisher. And there it! You can see it, feel it and even hear it when you slam the door.

**Today's most modern engines!** That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry,

and develops the highest power per pound of any V8 in the low-price range. It takes valve-in-head leadership like Chevrolet's to bring you truly modern engines like these!

**A drive to suit your driving!**

You can take your choice of three different drives—and every one's as modern as this minute. There's the silky, peppy Powerglide, new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

**All the power helpers you want!**

Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish.

And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

**Fun is "standard equipment"!**

You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

Over Ten Million Chevrolet owners—Two Million more than any other car!
